SMARTFLOOR ALUMINIUM FLOOR SOLUTIONS

Easy – fast – flexible – safe

Smartfloor offers quick and flexible configuration solutions for single seats, wheelchairs and stretchers to customise your vehicle to your individual needs

 The **extra** measure of **safety!**

Optional tip-and-fold seats

The patented M1 quick-release fixing is easy, safe and flexible

M1 seats are easily and safely fitted even above the wheel arches

FOR MAXIMUM SAFETY

- » Smartfloor consists of various aluminium profiles which will be fitted to your vehicle safely
- » Smartfloor floors are M1¹ certified according to EU Directive 76/115 for all major vehicle makes
- » In connection with the certified quick-release fixing and M1 seats, Smartfloor withstands forces of approximately 3.500 daN per seat, which means more than 10.000 daN for a row of 3 seats
- » In connection with the AMF-Bruns Protektor system, Smartfloor meets all ISO 10542 and DIN 75078 requirements effortlessly, and sets international standards in safety
- » Smartfloor is planned individually, and allows unlimited flexibility in terms of seat and wheelchair configuration

¹ M1 approved vehicles: max 8 single seats + driver
