

Spirit of EQUESS

ARBOC Specialty Vehicles®
A NEW FLYER OF AMERICA COMPANY

A low floor transit bus built on an ARBOC Specialty Vehicles, LLC chassis, the Spirit of Equest easily accommodates up to 33 passengers and six wheelchair passengers. This bus displays true *Equal Access for Everyone*® with no steps throughout! ARBOC's advanced technology exceeds ADA guidelines with a 1:8 ramp slope and a 39" entrance door opening for passengers in need of extra assistance and wheelchair accessibility. Backed by a Cummins engine and an Allison transmission, the Spirit of Equest offers superior serviceability and reliability!

EQUAL ACCESS for®
Everyone
